even home grown, so do the right thing, don't go bat ape shit crazy or get violent, cause that's what they want, do the right thing as I've outlined in my last tweet, the ACLU and/or the DOJ, Loretta won't mind. She can control Harley Quinns

Kathy Gold @mskathygold · 5m

Contact ACLU and/or Loretta Lynch of the DOJ and give them copies and keep copies for yourself so you can include that in your books, blog etc etc. Our 1st amendment is under attack by people like this Chrissie Carnell Bixler & her accomplices, it's possible they are terrorists

Kathy Gold @mskathygold · 8m

everybody else on my line on my follower list, like I said back in 2012 or 2013, do nothing, you are here to witness. Now if they are threatening you or harrassing you cause you are following me, send me the evidence & I'll post, authenticate on my fedcourt.info or

Kathy Gold @mskathygold · 10m

along with Chrissie and their other accomplices, let's find out if Chrissie and her accomplices are terrorists? Interogations, my fav, and it won't be an emeter, but real lie detector tests videoed. I have probable cause or not without incident

after midnight to tweet me this, I never incited hate nor threatened anybody, they threatened me and incited a mob thing online using the twitter platform, they committed felonies using the twitter platform. Once I get into Federal Court, I'll be interrogating this anne chick

**Kathy Gold** @mskathygold · 16m

accomplices don't think prison destroys anybody's life, they really think it's a walk in the park, they're all psychotic. Anyway, I don't know if I'm being followed by real terrorists and this annie chick, Chrissie's accomplices tried to trigger 911 see attached. She waited until

**Kathy Gold** @mskathygold · 17m

cops or anybody thru federal court, that's taken out of context, I have my own nomenclature, it means, I'm gonna destroy their lives, going to prison destroys people's lives, their families, their pensions, their lives are ruined litterly but Chrissie Carnell Bixler and her

**Kathy Gold** @mskathygold · 19m

and badgering me cause they couldn't find my photos, it was very weird, they reached out to me and then they would disappear and then another one would approach me. Anyway, if you assume by reading twitter that I'm gonna kill

**Kathy Gold** @mskathygold · 20m

I'll have to handle it in Federal Court cause now these people have cut my voice, my 1st amendment, my free speech, our constitution. Back on my scilon facebook when I first put that up, guys from the middle east were approaching me

when I first put that up, guys from the middle east area were approaching me

**Kathy Gold** @mskathygold · 22m

am being followed by real terrorists or not nor if Chrissie Carnell Bixler's accomplices are terrorist, I don't know who they really are. This anne chick made a false abuse report, twitter is automated and she had to have some help on the backend with algorithm to make it happen

**Kathy Gold** @mskathygold · 23m

For everybody online including Homeland Security and law enforcement, Chrissie Carnell Bixler and her accomplices are taking my words out of context, so you run on false reports and murder me, one of Chrissie's accomplices was trying to trigger 911 this year, I don't know if I

There is one way to defeat the Russian attack on America:

DONT BELIEVE ANYTHING ON THE INTERNET THAT DOES NOT COME FROM A REPUTABLE SOURCE. If you dont know who is asserting a "fact" - cant picture a headquarters or person - assume it is a lie.

Evangelical Christians do not trust in God. They demand government intervention because somehow the God they worshiped is too weak and needs the Justice Department to handle the work.

After @maddow covered this explosive story tonight, supporters of Judge Kavanaugh's confirmation will surely try to dismiss it as a hatchet job, but its implications are far too troubling to ignore without exacting vetting by the full Judiciary Committee

People don't get why trump rages about NFL so much.

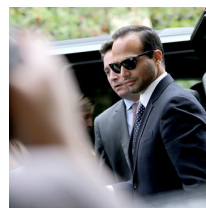

He begged, he pleaded with Pete Rozell to be allowed to own a team. He promised he would crash the USFL if they let him.

Unlike Cult45, NFL owners knew what Trump was. They refused. So, typical Trump, he is exacting revenge.

We will have an epidemic, and many will die. It is inevitable. My only hope is the people who played no role in causing it - infants who be vaccinated when older

and the immune deficient - make up small percentage of fatalities. Idiots make the choice, let idiots pay the price.

My son has a fragile immune system, he has zero protection from MMR and so much more. So parents who choose not to vaccinate their children, put my child in danger. That infuriates me.

If you vote for an anti-vaxxer because she is GOP - like [@lisalubyryan](#) ("I have no training except from Google University, but I know immunology") - you are literally choosing to risk the lives of your kids and grandkids just to support your party. No antivaxxers - Dems or GOP.

People should not have "freedom" to create a public health risk by failing to vaccinate their kids, anymore than they should have the "freedom" to shoot into a crowded movie house. Unfortunately, it won't just be the families of these stupid people who will pay the consequences.

Your question was if Obama did a "great job" handling Katrina. Not the stock market, or any recession, nor your inability to ask a clear question. Keep up. Trust me boo, I'm not the one.

My favorite part of her threat from today is how she's going to "love killing us" and "make money off our dead bodies". Seriously boo, let's go to that courtroom any time. Only one leaving in handcuffs will be you.

Again, the countess Krak character, the deadly assassin, assassin's get paid to kill.

This is also not against the law but I'm sure Chrissie and her accomplices will take it out of context in an attempt to do the above scene, so this is gonna be fun to kill these religious haters and make money off their dead bodies and their hate, 3 times per count. Oh no, their children LMAO they never put their children first, notice these women never once put their children and their children's safety first, ahead of themselves. Women that do, don't go online attacking and committing crimes on victims. They think about the repercussions it will have on their children. These women could give a fuck, it's all about them, them and them.

They are SP's with no power, just the power to scare people online, hoping by lies and manipulation, somebody

Oh I'll be there. You made a direct threat against me, in writing. We have not threatened to kill or harm you in any way. We tried to get a wellness check the other night because you were tweeting about killing yourself. In return you want Chrissie and me "assassinated".

### If Chrissie Or Any Of Her Accomplices Come Near Me Offline

9/7/2018

I will kill them to defend myself, their intent is to murder me and murder is against the law, premeditating murder is also against the law.

Then I'll call law enforcement to come pick up their dead bodies and I'll use their dead bodies as evidence in my cases, more money for me or cha ching.

And for me to kill people defending myself is not against the law so when their families try to sue for wrongful death, it will be kicked out and they will be counter sued for my time and damages.

do the above scene, so this is gonna be fun to kill these religious haters and make money off their dead bodies and their hate, 3 times per count. Oh no, their children LMAO they never put their children first, notice these women never once put their children and their children's safety first, ahead of themselves. Women that do, don't go online attacking and committing crimes on victims. They think about the repercussions it will have on their children. These women could give a fuck, it's all about them, them and them.

They are SP's with no power, just the power to scare people online, hoping by lies and manipulation, somebody offline will murder the people they are terrorizing, so it gives the illusion they have power.

Most likely what's gonna happen is, they will be hurted by the police, they will be in the hospital, they will be in the hospital, I suspect, I'm not their first victim online, so I suspect, other victims they did this too prior to me, they also tweeted the FBI and they would have pulled in those criminals then.

I'm sure they all figure these women will just blame this religion and Danny Masterson and then everybody will buy it hook line and sinker cause Danny got fired from Netflix cause of an accusation and Newsweek printed her story etc etc. A nice cover for their crimes. Now instead of Lisa's death, there will be a string of them. Act 2 of the Lisa Masterson case online war between this church and the anti-satan community.

In the end, Chrissie and her accomplices will have pulled it in.

If you are a victim of these women and you didn't go to the hospital, are very PTSDed out caused by them and uppers and downers ie meds just made your PTSDs worse etc etc and they went off line to terrorize and victimize you but the police did nothing and they physically harmed you or your family or your friends etc etc don't be afraid to kill them to defend yourself, to defend your family, to defend your friends and use their dead bodies as evidence in your case against them.

You can take their families assets to pay for your damages. These women have families and their families have a duty, responsibility to intervene but instead neglected it, failed to act, so that makes them liable.

Self defense is not a crime, it's legal.

Replying to @MarieCorcoran13

Ok, bottom line. What do you want? Do you want Mat to apologize here and now for lumping you in with a group of people that are pretty damn evil? Will you meet him halfway and apologize for calling him a rapist and pedophile? Could you then just agree to just ignore each other?

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13

I'm not backpedaling. You want to attach that to me so badly but its just your perception. I'm looking for a pattern in the year since then. He said something shitty a year ago. So have you, and so have I and so has everyone else on twitter who argues about stuff.

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13

That's where using single tweets gets twisted. It takes it out of context. There's no frame of reference for the comment. Should he have called a Nazi sympathizer? No. I wouldn't have liked it either. You called him a rapist. Equally uncalled for. We all do it, I'll own that I have.

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13

Do you have more exchanges that were threatening specifically to you in the ten months since that one? That would show a pattern of behavior and that I could get behind with calling someone out on.

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13

Kayla you're grasping so angrily to something from a year ago! The anti Scn movement is a constantly changing landscape. I know Scientology itself cannot change but on this side it's always changing. Names, attitudes, stances on things.

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13

I'm not back pedaling. I'm moving forward. Exact opposite of back pedaling. Dredging up things from a year ago doesn't mean anything today. I thought this had just happened. I only joined twitter last June.

**Anne Krzanowski** @Anneinma · May 28

I think you're asking us to force an apology from Mat which he doesn't feel is warranted? Or you want us to agree with you, in writing, to serve a larger agenda. I don't know, don't need to know. I can say going fwd if u feel threatened you can DM me and I'll do what I can.

The situation we just went thru with our friend was so outrageous the accuser actually went to the fbi and basically filed a false complaint. I'm hyper sensitive to this type of thing right now. I'm not interested in empty accusations and hyperbole.

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13 @HoratioN321 and 8 others

Oh there is? If you find it can you let me know? I'd like to know just for the sake of knowing it's there.

**Anne Krzanowski** @Anneinma · May 28

Replying to @AnonLethal @MarieCorcoran13 and 9 others

Well, the he said/she said stuff could go on forever without the actual tweets to shut down one side or the other. It's just circular arguing that doesn't serve a purpose or have a means to an end.

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13 @HoratioN321 and 8 others

I don't know to be honest. I'm not that twitter savvy. I don't know if deleted tweets are archived somewhere or if they're just gone. They're probably backed up on the twitter servers nightly but that's not accessible by the public, only law enforcement. I'm just guessing.

**Anne Krzanowski** @Anneinma · May 28

Replying to @JustCarol\_\_

It's such a beautiful historic city. The Main Street that you saw flooding is in a bit of a valley so when the river breaches like yesterday the water just wipes out that whole area.

Kayla I'm not ganging up on you, but I have to say again. Something this serious needs incontrovertible proof. Do you have the tweets from Mat that clearly reference you, saying he wants you turned into pulp? Or were they general statements about a category of people?

**Anne Krzanowski** @Anneinma · May 28

Okay well @SP\_Mat\_Prit is here so let's just sort it out right now. What's true and who's spinning a web? I've had my fill of death threat drama so just spell it out. Mat did you specifically threaten Kayla, did you say she should be turned into pulp?

Mat. Is what Kayla is saying true? Did you say those violent things about her?

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13 @HoratioN321 and 8 others

These tweets are obviously messed up but it's a little speculative because they don't clearly say who they're referring to. Likewise with that one from Mat. Do you have more of those convos that can show a link to you as who he's talking about?

1

**Anne Krzanowski** @Anneinma · May 28

I know them. I'm gonna message them directly but yeah Kayla I need those tweets as much as you have so I don't go flinging accusations without undeniable evidence.

1

**Anne Krzanowski** @Anneinma · May 28

Replying to @MarieCorcoran13 @HoratioN321 and 8 others

Are you serious! I remember you telling me about your run in with Crimy but I don't remember anything about a violent tweet. Would you be ok with messaging them to me? Stupid "kidding osa" jokes are one thing but when it's serious...that's not even a little bit okay.

It's always so telling when Fetti suddenly disappears after we call him out. OSA are just a bunch of bottom feeding thugs and cowards, preying on women online then running away when we fight back. Get used to it. We will never stop fighting you.
